Hulda Says:

"I think a bedroom looks empty or sort of undressed when there isn't a dresser in it. Dressers help to keep the room tidy because they hold so much. Mamma keeps all my clothes in one drawer and then I know just where to find them. Have you got one in your bedroom?"

\$18.00 for this beautiful swell front, solid quartered oak polished Princess Dresser. It has cast brass trimmings, a fine French polished plate and would be a bargain at \$20.00. Only \$18.00.
